## **Repair Manuals & Literature for 2012 Dodge Challenger for ...**

A service manual is developed,  
published and distributed by the  
manufacturer so dealership mechanics  
or trained technicians so they can fix  
and maintain their product. A Dodge  
Challenger repair manual teaches you,  
in laymen terms, how to fix or mend the  
vehicle. A service manual does the same  
thing but contains a lot of technical  
jargon. Both manuals are great but a  
service manual is a must have  
handbook.

## **Dodge Service Repair Manual PDF**

The repair manual is not the same as the owner's manual. With the owner's manual, it provides information on how the vehicle runs and all features which are available with your model. It may contain some basic maintenance and repair information, but not every repair is included. With the repair manual for the Dodge Challenger, it is a complete listing for all parts on the model.
