Theology is the systematic study of the nature of the divine and, more broadly, of religious belief. It is taught as an academic discipline, typically in universities and seminaries. It occupies itself with the unique content of analyzing the supernatural, but also deals with religious epistemology, asks and seeks to answer the question of revelation.

Theology - Wikipedia

Potentiality and potency are translations of the Ancient Greek word *dunamis* (δύναμις) as it is used by Aristotle as a concept contrasting with actuality. Its Latin translation is "potentia", root of the English word potential, and used by some scholars instead of the Greek or English variants.. *Dunamis* is an ordinary Greek word for possibility or capability.
