A Word Child Iris Murdoch

Iris Murdoch wrote beautifully, although her subject matter often involved difficult or horrible struggles for the characters. "A Word Child" is written and constructed in this mode. A working class boy and his sister hope to find salvation from their horrible childhood circumstances as orphans through the talent for languages that the boy discovers rather late in school.

A Word Child: Iris Murdoch: Amazon.com: Books

A Word Child is the 17th novel by Iris Murdoch . First published in 1975 by Chatto and Windus, A Word Child charts the trials and tribulations of the title character, the "word child", Hilary Burde as he attempts to recover his soul from the misery of his troubled past. Filled in the usual Murdoch style with an array of colourful, fully rounded characters who people Hilary's world, the novel is a complex and thoughtful exploration of the possibility and meaning of redemption, the nature of ...

A Word Child by Murdoch, Iris IRIS MURDOCH was born in Dublin in 1919 of Anglo-Irish parents. She went to Badminton School, Bristol, and read classics at Somerville College, Oxford. In 1948...

A Word Child by Murdoch, Iris

There is an inescapable air of casuistry about Murdoch's plots: it's not hard to imagine her as a 17th-century Jesuit or Jansenist, settling suppositious moral hashes with the most enviable certainty. Here, in one of her rare first person narratives, she gives us Hilary Burde, a fortyish civil servant whose rages and

Iris Murdoch's New Novel and Old Themes

There are people that are patient and people that are violent and wish to take possession of people—that's what A Word Child is all about. Iris Murdoch seems in many ways to be a late-twentieth-century mainstream British novelist, but so many of her preoccupations, with love and relationships and the connection between morality and the aesthetic and philosophy and theology, a quite deep and abiding and philosophically

A Word Child: Amazon.co.uk: Iris Murdoch: Books

Iris Murdoch's A Word Child is the kind of book you want all your friends to read. It's a dark comedy, a tragedy, and a romance all in one, written with an engaging combination of sarky wit and sad resignation. Since it's out of print and is one of Murdoch's lesser known novels, it's rather hard to find -- which makes it all the more special!

A Word Child book by Iris Murdoch

Guilt, secrets, and lies haunt two men whose lives are bound by a long-ago tragedy in this “riveting” novel by the author of *The Sea, The Sea* (Los Angeles Times). Twenty years ago, Hilary Burde’s story was one of remarkable success and enviable courage. Having brought himself out of a troubled childhood with only his intellect and wit, he was one of the most promising scholars at Oxford ...
