Direct fare undercut (DFUC) Where a published through fare has precedence over a special fare, Amadeus uses H. This element follows a fare amount, a mileage item, or an M/BT or M/IT item. It comes before the NUC total or a currency code. Use the letter P to indicate a direct fare undercut in a manual fare calculation.

First, discounted fares appeared as published fares; then Amadeus implemented negotiated fares (also called Nego fares); and later Unifares were added, like ATPCO Nego, ATPCO Private and others. The complexity of the types of fares is due to the various sources providing Nego fares, and to the multitude of products for each one.
