United States Colonial Rule in the PhilippinesThe United States exercised formal colonial rule over the Philippines, its largest overseas colony, between 1899 and 1946. American economic and strategic interests in Asia and the Pacific were increasing in the late 1890s in the wake of an industrial depression and in the face of global, interimperial competition.

### United States Colonial Rule in the Philippines ...

The first phase was from 1898 to 1935, during which time Washington defined its colonial mission as one of tutelage and preparing the Philippines for eventual independence. Political organizations developed quickly, and the popularly elected Philippine Assembly (lower house) and the U.S.-appointed Philippine Commission (upper house) served as a bicameral legislature.
