Ap Psychology Review Guide

We've covered a lot in this review guide for the 2020 AP® Psychology exam. Here are some of the key takeaways: The 2020 AP® Psychology exam will be a shortened exam with two free response questions. One will be 25 minutes worth 55% of your exam grade while the other will be 15 minutes worth 45% of your exam grade.

The Best AP® Psychology Review Guide for 2020 | Albert

...

The AP Psychology exam is one of the shorter AP tests, clocking in at just two hours in total. You'll have 70 minutes to complete 100 multiple-choice questions and 50 minutes to answer two free-response questions. Overall, I'd say that AP Psych is one of the easiest AP tests based on its shorter length and the complexity of its content.

The Ultimate AP Psychology Review Guide: 5-Step Prep Plan

What's in This AP Psychology Study Guide? This guide will help you study for the AP Psychology exam and other assessments in your class by providing study strategies and other resources that pertain to the material covered in the course. In the first section, you'll learn how to create a study plan for the exam that supports your needs as a student. This section applies exclusively to the final AP exam, so it's less relevant if you're just studying for an in-class test.
