Young people also participated in the wave of uprisings that shook American cities from Newark to Los Angeles in the 1960s. Other baby boomers "dropped out" of political life altogether.

Baby Boomers - Year Range, Definition & Facts - HISTORY

In the 1990s, when sociologists began to realize that soon there would be three generations in the workplace — the boomers, Generation X (those born between 1965 and 1980, during an economic lull) and the children of boomers (aka the huge cohort we call Millennials) — much was made about the benefits of the oncoming intermingling. The Millennials liked their parents!

What To Say When Young People Blame Everything On The Boomers

Yes, you can feel younger simply by showing some teeth. In a 2016 study published in the journal PLOS One, researchers found that those who smile often are perceived as being younger than those who don't. And all that grinning makes you feel younger, too: It gets rid of stress, boosts your mood, and makes you feel ready to take on your day.

Aging, like bankruptcy in Hemingway's description, happens two ways, slowly and then all at once. The slow way is the familiar one: decades pass with little sense of internal change, middle age ...

Can We Live Longer but Stay Younger? | The New Yorker

It can be hard to sum up just how infuriating baby boomer behavior is to younger generations. "OK Boomer" has become an all-time classic meme because it's such a simple way to roll our eyes at the old-fashioned, outdated, and frankly sometimes offensive things baby boomers do and say. No one has really summed up the problem with baby boomers better than George Carlin.
