Before you answer, consider this: People and organizations in your community might be doing well in some areas of trust, but poorly in others. And you might want to cut your community some slack. Change can make building trust more difficult, requiring community members and leaders alike to give a little more time and effort to building trust.

During the 8-week cohort, students undergo a 6-module course program where they learn various concepts including purpose and vision building, career development, entrepreneurship, and financial literacy. These, the program believes, will give students a holistic indoctrination of what it takes to build a career or a business after school.
