Death And Changing Rituals Function

The commemoration of death is an area of extraordinary complexity. Funerary rituals and memorials to the dead send out a multiplicity of messages. The way that these messages are received and indeed what messages are received varies according to the recipient and the circumstances in which they are encountering the funeral or memorial.

Death and Changing Rituals: Function and meaning in ...

In a funerary context the term ritual may be taken to represent a process that incorporates all the actions performed and thoughts expressed in connection with a dying and dead person, from the preparatory pre-death stages to the final deposition of the corpse and the post-mortem stages of grief and commemoration. The contributions presented here are focused not on the examination of different funerary practices, their function and meaning, but on the changes in such rituals – how and when ...
