## Down By The River Drugs

Down by the River is the true narrative of how a murder led one American family into this world and how it all but destroyed them. It is the story of how one Mexican drug leader outfought and outthought the U.S. government, of how major financial institutions were fattened on the drug industry, and how the governments of the U.S. and Mexico buried everything that happened.

There of course is the now familiar tale of a DEA bust of a drug courier, the call from the CIA, and the release of said courier and his product, because it is a "national security situation". The DEA agents try not to reach obvious conclusions, but whatever you say about them, they aren't dumb. From Down By The River Bowden writes:

...

But as Bowden admirably shows in "Down By the River," in the real world of cross-border drug trafficking, this sort of "moral clarity" is soon lost in the murk and the muck. If, as Bowden strongly argues, various Mexican administrations have been complicit in the drug trade, then what about the various US administrations that have largely turned a blind eye to bank deposits of drug trade profits?

Song MeaningNew Orleans, Sep 27, 1984 Neil Young introducing the song "Down By The River": I'd like to sing you a song about a guy who had a lot of trouble controlling himself. He let the dark side side come thru a little too bright. One afternoon he took a little stroll down thru a field and thru a forest, 'til he could hear the water running along there. And he met his woman down there. And ...
