available as the BYD476ZQA producing 151 horsepower. Transmission choices for this model are 5 speed manual, 6 speed manual or a 6 speed automatic gearbox.

BYD F3 - Wikipedia

F3R Machine produces high quality one-piece precision CNC-machined rifle scope mounts intended for hunters, benchrest shooters, long-range, extreme-long-range, Precision Rifle Series, and general target shooting. We made these because other companies' one-piece mounts are ridiculously over-priced. F3R Machine mounts are better, and affordable!

F3R Machine - Precision Rifle Scope Mounting Systems

F Renault engine is an automotive internal combustion engine, four-stroke, with 4 cylinders in line bored directly into the iron block, water cooled, with tree (s) driven overhead camshafts (s) by a belt distribution belt with an aluminum cylinder head,
