Guide to Fiscal Policies and Procedures - Compass
Fiscal policy is any financial policy implemented by a national government, either by altering spending or taxation. There are two types of fiscal policy: Contractionary fiscal policy and expansionary fiscal policy. Contractionary fiscal policy is when the government taxes more than it spends.

Fiscal Policy Guide: Understanding Contractionary Fiscal ...
Expansionary Fiscal Policy There are two types of fiscal policy. The most widely-used is expansionary, which stimulates economic growth. Congress uses it to end the contraction phase of the business cycle when voters are clamoring for relief from a recession. The government either spends more, cuts taxes, or both. The idea is to put more money into consumers' hands, so they spend more.

Fiscal Policy: Definition, Types, Objectives,Tools
Fiscal policy and monetary policy are economic tools to help a country reach its macroeconomic goals. Fiscal policies are managed by the governmental departments and aim to improve the economic output of the country, while monetary policies are managed by the central bank and aim to keep the inflation levels under control.

Complete Guide To Economic, Fiscal & Monetary Policies
Fiscal policy is a policy adopted by the government of a country required in order to control the finances and revenue of that country which includes various taxes on goods, services and person i.e., revenue collection, which eventually affects spending levels and hence for this fiscal policy is termed as sister policy of monetary policy.

Fiscal Policy | Definition | Types & Tools of Fiscal Policies
Fiscal policy is the use of government spending and taxation to influence the economy. Governments use fiscal policy to influence the level of aggregate demand in the economy in an effort to achieve the economic objectives of price stability, full employment, and economic growth. The government has two levers when setting fiscal policy:

Introduction to Fiscal Policy | Boundless Economics
We believe that the most important part of developing policies and procedures is that they are discussed, agreed upon, and regularly reviewed by both the decision makers in an organization and by those who will be implementing them on a day-to-day basis. Guide for Nonprofit Fiscal Policies & Procedures
