Homemade Sewer Solution

Clearing Clogs With a Homemade Drain Cleaner If your sink (or tub or shower) is full of backed-up water, bail out as much of the water as you can, using a cup and dumping the water into a bucket. It's fine to leave a small amount of water down in the drain opening itself, but the sink should be mostly empty, so your drain cleaner gets as close as possible to the clog.

How to Make Your Own Homemade Drain Cleaner

Homemade Foaming Sewer Root Killer. You can use a homemade foaming solution to kill tree roots that have found their way into your sewer system. Roots typically enter the drain line from above, so using anything that combines with water will merely pass through the entire pipe without contacting the roots.

5 Homemade Root Killer for Sewer Lines Tips and Recipes

Pour 1/2 cup baking soda, 1/2 cup salt and 2 tablespoons cream of tartar in a jar that seals. Close jar, and shake to combine ingredients. Pour half the jar's contents down drain, and save the other half for later. Follow the solution with a pot of boiling water. Let drain sit for one hour. Then, run tap water to rinse any remaining solution ...

5 Natural Homemade Drain Cleaners | HGTV

To make this environmentally friendly root killer, mix a cup each of regular table salt, baking soda, vinegar and boiling water and immediately flush it down the toilet. When mixed together, baking soda and vinegar begin to fizz, and the fizzing action allows the solution to fill the pipes so the salt can come in contact with the obstructing roots.

Store-bought drain cleaners are expensive and caustic. Learn how to make your own homemade drain cleaner using this simple recipe. It takes just about five minutes, and you likely have all you need in your pantry: baking soda and white vinegar.

How to Make Homemade Drain Cleaner

Bill, I recently purchased a sewer solution on line from the company. They always have some "seconds". They do work great. I buy their lowest cost version and use a yard water hose to go most of the distance, connecting the hose with a 3 x 3/4 inch piece of steel pipe to the single 10 foot length of hose that comes with the Sewer Solution.
