Jacob Mincer - Wikipedia

Jacob Mincer is widely recognized as a pioneer in labor economics. A formative member of the Chicago School of Economics, Mincer is well known for his book published in 1974 entitled "Schooling, Experience and Earnings," which included cumulative data and research from the censuses of 1950 and 1960. Mincer used this data to demonstrate correlations between age, education, and other similar inputs and annual earnings.
