Kiewit : An Uncommon Company: Celebrating the First 125 ...

Kiewit Brothers Company was established in 1884 by Peter Kiewit and his brother Andrew but the main growth phase was under Peter Kiewit Jr. Growing from its roots of basic commercial building construction, after 125+ years it is now also in the transportation, mining, water resources, power, oil and gas, underground, electrical, and marine market segments, routinely completing projects for its clients, some in excess of a billion dollars, on budget and ahead of schedule.

Kiewit: An Uncommon Story by Jeffrey ... - The Rabbit Hole

Book Overview in 1884, Peter Kiewit and his older brother Andrew began a small masonry contracting partnership in Omaha, Nebraska. Naming the new enterprise Kiewit Brothers, their pioneering work established the foundation for what would become Kiewit Corporation, one of the largest and most successful construction companies in the world.
