Radio Relógio - como configurar - YouTube

0 I think what no one is spelling out is that the Numbers themselves do not get brighter. It's the overall lighting of the Screen that changes - which doesn't help visibility of the time hardly at all. I was certain that hitting the snooze button was doing nothing when I tried this during the day, but in a completely dark room it was easy to see that just a tap of the snooze button does change ...
