### Michael Sandel Justice Chapter Summary

Justice, a 2009 nonfiction book written by Harvard professor Michael J. Sandel, grew out of a popular course of the same name that Sandel teaches, in which he “exposes students to some of the great philosophical writings about justice, and also takes up contemporary legal and political controversies that raise philosophical questions” (293).

### Justice Summary and Study Guide | SuperSummary

Justice Chapters 8-10 Summary & Analysis Chapter 8 Summary: “Who Deserves What?/Aristotle” Aristotle’s political philosophy has two central ideas. First, justice is “teleological”; to define rights, we must “figure out the telos (the purpose, end, or essential nature) of the social practice in question” (186).

### Justice Chapters 8-10 Summary & Analysis | SuperSummary

Chapter 1 Summary: “Doing the Right Thing”. Sandel opens with stories of price gouging in the wake of a 2004 hurricane. Florida residents were outraged that anyone would “try to capitalize on other people’s hardship and misery,” but economists pointed out that prices are determined by supply and demand in a market society (2-3). Higher prices “simply reflect the value that buyers and sellers choose to place on the things they exchange,” according to free-market economists like ...

Justice and freedom Rawl’s case for the priority of the right (against Aristotle) over the good reflects the conviction that a moral person is subject with ends he has chosen”. As moral agents, we are defined not by our ends but by our capacity for choice.

### Summary Justice: What's the Right Thing to Do? - behaald ...

In this chapter, then, Mill will determine whether the justice or injustice of an action is something intrinsic and distinct from questions of utility. In examining this it is necessary to determine whether a sense of justice exists in itself, or is derivative and formed by a combination of other feelings; is this sense explicable by our emotional make-up, or is it a “special provision of nature”?
