Paul R R 2004 Money Banking and International Trade ...

Obstacles to international trade in banking services arise for the most part because of the special nature of banking services and the irmpor- tance that all nations place on the regulation of banking operations. In every country, banking operations are subject to special regulations and restrictions.

International Trade in Banking Services

Central bank cooperation was key to stemming the collapse, and the details of that cooperation hint at the outlines of an emerging new international monetary order. Third, absolutely central to the crisis was the operation of key derivative contracts, most importantly credit default swaps and foreign exchange swaps.
