Numbers 1-20 Plan - ESL KidsStuff

My text icon is not showing any new text counts on my main screen. I'll get an alert when I receive texts though. But when I open to my main screen the icon does not show any numbers as to the amount of texts I have not opened yet, just the blank icon. I think this happened since my latest Samsung update on my S9 plus with latest Android installed.

Solved: Text icon not showing text count - Samsung ...

Opportunities for counting activities are all around us. Here is a free printable that kids can use to count some common items in their homes. One of the easiest ways to practice counting with kids is to count objects in their world. On the playground, they can count steps on the slide. On the way home from school, they can count stop signs.

Counting Activities for Kids: Counting at Home [Free ...

so that the numbers will be on the back if you like. This is a good one for cardstock. I don't have cardstock so I print out the two pages separately and glue them together to make them sturdy and then cut them out. Page five has a pocket for the cards. I let my son put clothespins on the dots to count them. He really loves this.
