The car radio code is a security system that protects your blaupunkt radio from thieves, but if you remove the radio from your vehicle or disconnect the battery, you will need to enter your blaupunkt unlock code so that the head unit can operate again. most times the radio code is printed on a small card and included in your owner's manual.

Get your free Blaupunkt radio code online 2020

It has the RCD 310 radio, which I believe is the base, standard radio. Salesman said the car has Bluetooth (FWIW). On the Setup menu, it says "BT-Audio", and you can toggle between On and Off.
