Rethinking Agricultural Policy Regimes Book - PDF Download

In addition to research and development, policy regimes and market demand influence the amount of food farmers produce. Food production is one of several goals in agricultural policy in many high-income countries, not only in Norway (Meld. St. 11, 2016–2017) but also in the EU (European Commission, 2010).

...

Finally, new academic ideas around resilience of food chains and relevant policy interventions have challenged established approaches to achieving agricultural sustainability. This book evaluates how these new policy challenges are having an impact on specific agricultural policy regimes as well as what future lessons might be learnt from key policy experiments around neoliberalism and multifunctionality.

New book on agricultural sustainability: Rethinking ...

Rethinking Food and Agriculture explores and uncovers some of the key historical, ethical, economic, social, cultural, political, and structural drivers and root causes of unsustainability, degradation of the agricultural environment, destruction of nature, short-comings in science and knowledge systems, inequality, hunger and food insecurity, and disharmony. It reviews efforts towards 'sustainable development', and reassesses whether these efforts have been implemented with adequate ...
