The power of the mind is one of the greatest secrets of the world. Science and quantum physics are constantly seeking knowledge of the outside world, but what most of them fail to see is that the greatest power can be found within. The subconscious mind is responsible for all of our deepest emotions, motivations, and expectations.

### Mind Mastery Training

Dr. Ramachandran found that placing the remaining opposite body part (eg. hand) into a mirror-box fools the mind into receiving feedback from the missing part and no longer sending ever-increasing (and unmet) signals that cause the pain. Visual activities take up almost half the human brain.
