Description. This updated edition of a well-established anthology of social and political philosophy combines extensive selections from classical works with significant recent contributions to the field, many of which are not easily available. Its central focus is on the liberal currents in modern Western political thought--variants of classical liberalism, modern liberalism, and libertarianism--with specific focus on differing conceptions of political obligation, freedom, distributive ...

PHIL 182: Social and Political Philosophy. This course examines the norms or principles that establish and justify societies and determine the rights and responsibilities of a society in relation to its own members, of the members in relation to each other and to society as a whole, and of a society in relation to other societies. The course considers the application of these principles to such issues as justice, human rights, political and social institutions, and world community.

PHIL 182: Social and Political Philosophy: Philosophy ...

Suited to both one- and two-semester courses, Social and Political Philosophy is a uniquely Canadian text that brings fresh insight into many of the issues facing today's society.

Pedagogical features, including biographical sketches, recommended readings, and end-of-chapter review questions engage readers, and helps students foster important connections between the past and present.
