The Golden Age of post-war capitalism has been eclipsed, and with it seemingly also the possibility of harmonizing equality and welfare with efficiency and jobs. Most analyses believe that the emerging post-industrial society is overdetermined by massive, convergent forces, such as tertiarization, new technologies, or globalization, all conspiring to make welfare states unsustainable in ...

### Social Foundations of Postindustrial Economies / Edition 1 ...

Gosta Esping-Andersen, Europe's leading analyst of the welfare state, presents a provocative examination of postindustrial economies at the end of the twentieth century. This book takes a second look at the driving forces of economic transformation in a more sociological and institutional way. As a result, what stands out is postindustrial diversity, not convergence.

### Social Foundations of Postindustrial Economies by Gosta ...

This chapter and the previous one revisit the political economy within which post-war welfare regimes emerged, matured, and, now appear crisis-ridden. Here, an analysis is made of social risks and welfare states. The post-war welfare state was premised upon assumptions about family structure and labour market behaviour that, today, are largely invalid. Risks that in the 1950s or 1960s ...
