Burned Alive is a shocking testimony, a true story of almost unbelievable cruelty. It speaks of amazing courage and fortitude and of one woman's determination to survive. It is also a call to break the taboo of silence that surrounds this most brutal of practices and which ignores the plight of so many other women who are also victims of traditional violence.

The lack of women on the other side of the table is a big reason why, and an addressable one. Women VC partners are twice as likely to invest in startups with at least one woman founder and more ...

New data shows the number of women-led VC funds is exploding

One Woman's Camino was a very inspirational book to read if you have a sense of adventure and are willing to take on the challenges set before you. Tracy not only shares her personal fears and expectations about the Camino itself, but she also gives you insight into the logistics of trekking 500 miles across Spain.

One Woman's Camino: Each Step the Promise of a New ...

The practice teaches men and women how to channel their energy into a higher state of consciousness and simultaneously achieve the deepest levels of pleasure. The journey becomes the highlight. Gone is the wham bam thank you, ma'am , and going for the climax; instead, it can become endless foreplay, with tantalizing interludes for hours and days.

Cultivating Sexual Energy, Part One: For Women | AGEIST

Yazidi women released by Isis this week were gang-raped in public by fighters and tortured by their captors, according to distressing accounts of their ordeals.
