I adore this book! Now that we are beginning a library for our soon to be grand-daughter, this beautiful book, along with Patricia Saxton's A Book of Fairies, will be the first additions! The Book of Mermaids is artistically inspired and leaves me wanting more - the colors are brilliantly warm and the scenes are fanciful, capturing the ...

The Book of Mermaids by Patricia Saxton

Mermaid, masculine merman, a fabled marine creature with the head and upper body of a human being and the tail of a fish. Similar divine or semidivine beings appear in ancient mythologies (e.g., the Chaldean sea god Ea, or Oannes). In European folklore, mermaids (sometimes called sirens) and mermen were natural beings who, like fairies, had magical and prophetic powers.

I just want us all to remain aware about the true power and use of white magick. In my eyes, mermaid spells that claim to transform the caster into a mermaid is just not going to happen. I urge you to try and find mermaid spells that copy traits and characteristics of a mermaid instead of one that turns you into a mermaid.
