The Color of Rain is by far the best book on the subject of loss and all that it means. It has so much insight, talking about some things I had not thought of before. I cried. I smiled. I sobbed while reading this book. The author truly understands what happens to a family when it loses someone to Cancer.

How Two Families
Faith, Hope, & Love in
the Midst of Tragedy

(Book) : Spehn, Michael
: When two childhood
friends die of cancer
six weeks apart, the
shared experience of
loss brings their
grieving spouses
together. After months
of late-night phone
calls, family dinners,
and countless dreams
and tears, this unlikely
pair builds a trust, a
love, and a shared life.
