Helping Children Build Language Skills You can help children develop their language abilities by tuning in to what they say and responding in ways that result in more talk. By Scholastic Parents Staff

Helping Children Build Language Skills | Scholastic | Parents

Good listening is like tuning in a radio station. For good results, you can listen to only one station at a time. Trying to listen to my wife while looking over an office report is like trying to receive two radio stations at the same time. I end up with distortion and frustration. Listening requires a choice of where I place my attention.

LISTENING - Sermon Illustrations

We have a different way of listening to a life teacher or a coach than someone who is trying to sell something to us over the phone. Both may have something valuable to offer us (or not!) but the way we tune in and what we choose to hear is different based on what we expect to hear from the person who is speaking.

The Sacred Power of Listening - UPLIFT

If you're in tune with the reading, but nothing is standing out to you, maybe those particular verses aren't speaking to you and that's ok. Don't think of the Bible as a story book.
